

Russell & Cathy Kidman

While in Bogalusa Louisiana we witnessed to several Veterans and also received a message from a family in the area needing help with their son. By God's Providence we were able to meet this Veteran's mother at her Church that afternoon. First, we ministered to her needs, helping her to understand her son and then addressed her sons needs as a combat veteran. She was overwhelmed how the LORD had so quickly answered her prayers. We also ministered to Veterans in several towns in Mississippi. While in Louisville, MS Cathy spoke to a Vietnam veteran who later approached her expressing his gratitude for the gift she gave him and said he was looking forward to reading it once he got home. We also ministered to a young lady whose brother died while serving in the Marines. She was astonished that there were people like us trying to help families deal with the loss of a loved one. Praise the LORD that while we were at Elliott Baptist Church in Grenada MS a man who works on the base started handing out packets he received from us. While we were witnessing to a Soldier in town he said "I already got one of these packets this morning from...". Lastly we were back in Gastonia and Bessemer City NC where I preached in several Churches and saw them get a burden to witness to our troops. One night we wanted an ice-cream so we drove downtown only to find the street closed off for a "Car Show". While eating ice-cream and looking at the cars we were able to witness to several Veterans. One of those asked if we could give him a second packet for his daughter who was also a retired Veteran suffering from PTSD.

Cathy's diet change continues to improve her health and she has not had any further problems along that concern. However she somehow pulled a muscle in her ribs and needs your continued prayers. I will be having my annual physical at the VA in late May, Praying for another good checkup.

Matthew 6:5-8 And when thou prayest, thou shalt not be as the hypocrites are: ... (8) Be not ye therefore like unto them: **for your Father knoweth what things ye have need of, before ye ask him.**

That the LORD will use every packet we hand out throughout each month to our Soldiers and Veterans for what is needed in each life, especially their Salvation!

Cathy's Mother's upcoming back surgery and Cathy taking care of her starting June Please pray for these families and especially this young man named Devan. Meetings throughout Michigan this summer and fall. Our need of a 40+ft diesel Motor Home to replace the gas one we are in.
