

Russell & Cathy Kidman

We started our year at Faith Baptist Church's Jubilee in Perry FL and visited several other churches as we Ministered to Veterans in each community. I was asked to speak at two community men's prayer meetings where a large portion of the men who attend are not saved or attend any church. There were Veterans at one meeting ranging from Iraq to Vietnam who each received the Gospel of Jesus Christ and one of our packets. Several of them expressed a gratitude for our Ministry and how it made them consider the impact they are making with their lives. In July of 2016 we met with a Vietnam Veteran in the Milwaukee Wisconsin area who was having issues with PTSD. His Pastor sent us this in an email: "Up until two weeks ago Erv was considered a saved and baptized believer. Then he got **SAVED!** He gave testimony this past Sunday, and his wife says he is a new man." Praise GOD for His Glorious Salvation!!! While in Crystal River FL we visited Robert a Vietnam Veteran we had not heard from for a long time. He enjoyed our visit greatly and a few days later said in a text msg that he needed to get back to being faithful in his Church. The end of February we preached a Missions Conference at Highland Baptist Church of Concord NC and saw a precious moving of the Holy Ghost throughout the conference. **MISSIONS - FROM THE BOOK OF JONAH**

Cathy has had an issue of chocking while eating, unexplained severe rashes and at times difficulty focusing with her eyes. While talking with a Veteran friend who was diagnosed with celiac disease she realized she had every symptom. Therefore Cathy adjusted her diet to avoid gluten, which has made a resounding difference. We have both suffered back injuries but are now doing much better.

Ephesians 6:1-3 Children, obey your parents in the Lord: for this is right. **Honour** thy father and mother; (which is the first commandment with promise;) That it may be well with thee, and thou mayest live long on the earth.

We have now been on the road full-time in this ministry for over six years and have spent very little time with our family. Even during those times we did stop to visit family we did not stop ministering to any military that we came in contact with. Cathy's mother has to have major back surgery and has asked Cathy to take care of her for 3-6 months starting in June. While Cathy is with her mother I will be available ministering throughout Michigan. We are not looking at this as a furlough, but as an opportunity to minister to our family. Please keep this as a close matter of Prayer! Children are required to OBEY their parents, but as adults we are to **HONOR OUR**

PARENTS and believe that we would be remiss if we did not Honor this request for help.
