

## SUPPLEMENT: NEWER RV NEEDED FOR MINISTRY

Our Current 1998 Gas RV has been our home since August of 2010 and each year has become more and more costly to use full-time. Our only choice is to make repairs and keep going while we PRAY for another vehicle.

We began praying in 2015 for a 40ft Diesel Motor home with at least a 400hp Cummins engine, Allison transmission, Jake brake, Washer, dryer, and three or four slides. We are not asking for something "Brand New" but at the same time do not want something that is too old either.

In June we were contacted about purchasing a 2008 Monaco Diplomat SKQ 40 Diesel Motor Home. It has a 400hp Cummins Diesel engine, Allison transmission, Washer/dryer combo, Engine brake, and four slides with just over 23,000 miles. There have been many updates to this vehicle in the past two years so that it is operating like new. What the "Seller" did not know, when he contacted us, is that although we need this vehicle we did not want to upgrade as long as we still had our dog Ellie. Amazingly on the very day Ellie passed away, while we were finishing burying her, is when the "Seller" contacted us. We both agreed to pray about this for a season and in mid December we visited the "Seller" to see the RV. We are trying not to get ahead of the Lord as we did last year but continuing to pray for God's Direction.

This letter is in compliance with the "Seller's" request to let our supporters know about our need. We have asked for prayers believing and we are trusting that the LORD will provide the finances, but also understand that people cannot help where they do not know there is a need.

**2008 MONACO DIPLIMAT SKQ 40 NADA VALUE:** \$108,000.00 low retail to \$132,000.00 considering options

**SELLER NEED:** to pay off loan currently on this vehicle around \$110,000.00

### IF THE LORD LEADS - HERE IS HOW YOU CAN HELP:

Being that our income is donations they are considered "unsubstantiated" according to financial institutions which limits us from getting conventional financing. Therefore we are asking the LORD to provide for us through one or more of the following avenues.

- A. Donations - of any amount toward the purchase of this vehicle.
- B. Substantial Donations of 30%-50% - to be applied as a down payment to "Seller" or possibly get finaced.
- C. We may need someone willing to assist us in getting finacing as a co-signer.
- D. Someone willing to finace us personally.

We know that the LORD can supply this Ministry Need beyond our expectations and we also know that He will use His people to do this. Please contact us by phone, text or email if futher information is needed.

**Thank You - Any Assistance Will Be Greatly Appreciated!**
