Luke 5:32 *I came not to call the righteous, but sinners to repentance.*

This is Joe, the 72 year old Vietnam Veteran we had met in Davis NC, who had just been diagnosed with Cancer. We received word in December that he was Born Again on November 25th. Hallelujah, Praise the LORD!!! Please continue to Pray for him concerning the cancer!

Next is Donald Istvan a Vietnam Veteran we witnessed to in December who was struck and killed by two vehicles eight days later. It took over two weeks to find out just what had happened and where his remains were but then the LORD moved in and provided the means to give a proper burial service at Tallahassee National Cemetary. We are grateful that the LORD put it upon Burns Funeral Home in Perry Florida, who took care of all the preperations and legal aspects of getting this man a proper burial. The funeral was attended by over 70 people including representitives from 3 Baptist Churches, the Marine Crops, Florida State Patriot Guard, American Leagion, VFW and many other Veterans who drove in to pay tribute to this fallen Veteran. Although I do not know for certain what decision Donald made in those eight days, all those at his funeral heard the Gospel clearly. Even the local New Chanel was there to cover it and here is a link to the honorable report they made.

After visiting many times with an Iraq and Afghanistan Veteran named Rebecca from Perry Florida she attended several services with us there. She is often in the hospital because the Sarin gas she was exposed to as it has been affecting her ability to breath. Since we first met her she has made sure things are right with the LORD now sees how God can use her in the lives of others. Just recently she called and told us about how she is now visiting other female Veterans to pray with them and encourage them the way we did for her.

We met and witnessed with two Veterans in Warrner Robbins GA named Will and Garrett who are family members of Anchor Baptist Church. Both profess to be saved and visited Church the day I was preaching. Then afterwards we took them out to eat, fellowhip and talk for a while about the struggles of being around crowds due to PTSD. However this is something they are both working on and need our Prayers for God to grant them peace over this issue and get them committed to serving the LORD!

RECOVERY UPDATE: Please continue to pray about my knee recovery! Our day to day operations just take a little longer as I cannot move as quickly as before. There is always an ache and some days are better than others but we continue on.

Keep those deployed Troops in your prayers as well as all currently serving here state side. Continue to pray for Robert Moore, Iraq/Afghanistan Veteran Pray for all these we witnessed to throughout our travels, that the LORD will save their souls.

Thank You For Your Faithful Prayers and Generous Support!
