Psalms 116:15 *Precious in the sight of the LORD is the death of his saints.*

Nov Dec 2020

OUR CONDOLENCE: We started 2020 providing a proper burial for a homeless Vietnam Veteran from Perry FL. Although we had presented the Gospel to him we do not know if he ever repented and trusted Christ as his Saviour. We ended 2020 attending the funeral for a close and dear friend Richard Lightner who was also a Vietnam Veteran. We last saw Brother Rick in August when he told me that the day we met, eight years ago, he was intending on committing Suicide. However because God put us in his life he did not and allowed the

LORD to change his life and what a difference it made when his Pastor Robin Taylor led him to Christ as his Saviour. Brother Rick will be greatly missed by all of us who came to know him as more than a Vietnam Veteran, but a brother in Christ and one who loved to sing for the LORD!

While at Midview Baptist Church of Kings Mountain NC with Pastor Mike Rice we were able to minister to several Veterans and families of Veterans throughout the week. One Veteran as he was walking by saw our Jeep sitting next to our RV and knocked on the door to introduce himself. A couple of hours later he knocked on the door again to introduce us to another veteran who lived in the area. Both times we were able to share the Gospel with him and his friend the second time simply because of how our Jeep is decorated. Just last week as I was fueling up the Jeep a Veteran at the next pump commented on it and opened up another opportunity to share the Gospel.

For over a year we tried to get Dulce into a Veteran Organization to get training for PTSD service. After only a few classes it was obvious that we could not continue with them because along with the training they promoted what we could not condone as Christians. We have found an individual that will continue Dulce's training as it appears he has been trained before and simply needs some refreshing. We were looking forward to the Veterans we could witness to while there, but this will allow us to get back on the road traveling again as our schedule allows.

We ended December with our Daughter and her Children visiting us for a couple of weeks just before Christmas. We enjoyed an early Christmas with both our children and our grandchildren. We also had a visit of my brother and his wife for two days as God worked a tremendous gift of healing throughout our family. Having them all here in Church and fellowshiping together each day was a tremendous gift to us this year!
