John 15:4 *Abide in me, and I in you. As the branch cannot bear fruit of itself, except it abide in the vine; no more can ye, except ye abide in me.*

We are praising the LORD for our new RV as we are finally able to get back on the road to minister to Veterans and their families. We visited nine Churches throughout NC in September preaching, singing, and reporting on our Ministry. I preached on Psalm 23 - PTSD at Holland Memorial Baptist Church in Bessemer City to a congregation full of Veterans. Several Veterans and families of Veterans told me afterwards that the message was exactly what they needed in their life right now and a great help to them spiritually. I have preached this message many times this year and every time there has been a great move of the LORD on His people. We were also "Down East", as the term goes, on the NC coast, and witnessed to four Marine Veterans waiting to board a ferry boat. They gladly received our packet and told us they were all stationed together at the Jacksonville NC Marine base and now once a year they return for the fishing, surfing, and spending time together. One of them spent most of the voyage speaking with us about where he was from and gave us many opportunities to witness to him further. From there we were in Hurdle Mills NC, Ruffin NC, Stoneville NC, Ridgeway VA and Norwood NC in October preaching at some and singing at others, but every time there was a Veteran there that needed a word of Hope and encouragement. Sometimes it was during the services and sometimes it was while having a meal afterwards, but each time it was definitely God who had arranged the meeting. Oh yeah we have also had more online and phone meetings which is still a learning curve to me.

We ended October back in Concord NC where we met Larry Taylor over a year ago when we stopped at the grocery store and witnessed to him, during which he gave us a good testimony of his Salvation. His deck railing was rotten and needed replaced so we purchased the materials and repaired the railing and a few decking boards in just one (12 hr) workday. There are other repairs needed in his home that we are trying to get scheduled but they are minor compared to that deck. We will go back in the spring to power-wash it and then stain and seal it, which was never done when it was built three years ago.

OUR CONDOLENCE: Several years ago we asked you to be pray for Jeff Brown a Vietnam Veteran with cancer due to agent-orange and in need of Salvation. We learned on October 23rd that he had circum to the cancer he was battling. It is unknown if he ever repented and trusted Christ as his Saviour.
