2 Kings 6:16 *And he answered, Fear not: for they that be with us are more than they that be with them.*

ON THE ROAD AGAIN: We left North Carolina on May 1st heading to meetings in Lenoir City, Milan and Jackson Tennessee. It was great to be back on the move and meeting Veterans along the way like a Retired Navy Sea Captain, a Retired Army Helicopter Pilot, Army Truck driver and many Vietnam Veterans. We were blessed to cross the I-40 Bridge over the Mississippi river just hours before it was closed for major repairs as we made our way to meetings in Wynne, Searcy, Judsonia and Vilonia Arkansas. We revisited Highway Baptist Church and stayed in the same RV Park as six years ago. We were parked next to an Air force Veteran who served during the Vietnam War. The first day I was able to witness to him and he told me his nick name was Buck.

He was talking with another man who lived in the park who went by the name “Duck”. Turns out that Duck was a member of the church we went there to visit and had been inviting Buck to church for months. We stayed there two weeks witnessing to Buck and driving to our other meetings. Buck had gotten out of church because of some hypocritical “Christians” and God put us there to show him the True love of Christ. Just saying hello each day and then after gaining his confidence we were able to help with some repairs on his 5th wheel RV. Finally it was time to leave, when I asked him if he had ever trusted Jesus Christ as his Saviour and he gave me his testimony and told me what happened that took him away from Church. God told me to give him a New Bible so I gave him one we had in stock. He said that he was planning on going and getting a new Bible that week but hadn’t done it yet. He wanted to pay me for the Bible but I said NO SIR, but if you want to do something for me please go to church with Duck and he said he would.

Next we went to a Reunion of Alpha Battery 2 Battalion 29th Field Artillery to minister to those I served in Combat with thirty years ago. It was great to see some that we hadn’t seen since the war and once again testify about the LORD to them. We had a wonderful time talking about old times and current times interjecting the LORD into each conversation. Pray that we can continue to be an influence to these my Brothers in Arms. Also just a week or so before the Reunion one of my closest Combat Buddies Jeff Hodges had a bad stroke. Jeff is now home from the hospital and continuing to recover. Please continue to pray for him and his wife Hannah as God is working in their lives. Our Reunion group was able to do a video-call with Jeff during our time together and it was a great encouragement him.

We spent a week with Richard J. Reiser Jr. an Iraq War Veteran that several years ago began “Soldiers Of The LORD Ministry” out of Harvest Baptist Church in Villa Ridge MO. His Ministry is very similar to ours reaching out to Veterans both in his community and through social media. We were able to be a blessing helping him with Bibles, and other materials to reach more Veterans for the LORD and will be working closely with him!

While we were at Lighthouse Baptist Church of Gratis OH we had a family with two small children visit on Father’s Day Sunday June 20th. Both the mom and dad were Marines and the whole family Trusted Jesus Christ as their Saviour that morning. **HALLELUJAH!!!** We were able to visit with them throughout the following week and are excited to see their desire to follow the LORD!

KEEP PRAYING... GOD IS WORKING!!!!
