

Russell & Cathy Kidman

JESUS is the reason CHRISTmas is MERRY

John 1:1-3,14 *In the beginning was the Word, and the Word was with God, and the Word was God. (2) The same was in the beginning with God. (3) All things were made by him; and without him was not any thing made that was made... (14) And the Word was made flesh, and dwelt among us, (and we beheld his glory, the glory as of the only begotten of the Father,) full of grace and truth. The GIFT we need this CHRISTmas is to have the Power of God!!!*

ALONG THE WAY: We spent October and November traveling through the states of NC, SC, GA, AL, TN, and back to NC. Along the way we were introduced to several people that may be able to help further down the road on the Pathfinder Project. The way we met each of them, made it obvious that only God could have “Directed” our paths to cross at each crucial moment. We had many opportunities to witness during this trip and took advantage every time talking to Veterans and their families. One such man was a Jew we met at a flea-market in South Carolina. I kept talking and bringing up how the LORD had blessed us over and over but all he wanted to talk about was his military experiences. Oh he made it clear that he is very religious, but alas not willing to hear about the LORD Jesus Christ. Then there were the phone calls. We get many phone calls each month, mostly from the family of veterans that are trying to help their family member. However, one phone call was about our Bible College, well at least it started that way, but ended up being about a family member that joined the Military running from the LORD. We hear this often and all we can do is Pray that God will put someone in front of them like he did me when I ran from God and joined the Army. Someone, like Brian Paul Cope, that witnessed to me every day as a wayward brother. He was relentless and a man of great courage for the LORD that is for sure. It is our prayer that the LORD would put someone like Brian in the life of Charlie.

HEALTH CONCERNS: SVT and CANCER

SUPRAVENTRICULAR TACHYCARDIA (SVT) is as an irregularly fast or erratic heartbeat (arrhythmia) that affects the heart's upper chambers. I have been given some exercises that stop it once it starts and that is working. I have had this condition for over 36 years now but never knew what it was. There is a treatment but it carries a risk of having to have a pacemaker for the rest of my life or even death. For now the plan is to keep it under observation unless it gets worse.

PROSTATE CANCER, My Dr. just called Sunday afternoon on the 18th of December with this diagnosis. He said 2 of the 12 samples taken in the biopsy came back as a “Low yield” (non aggressive) cancer. Again, the treatment for now will be observation, with checkups every six months and another biopsy in two years, provided that nothing changes.

NONE OF THIS has taken my LORD and Saviour by surprise; 2 Corinthians 12:9 *And he said unto me, My grace is sufficient for thee: for my strength is made perfect in weakness. Most gladly therefore will I rather glory in my infirmities, that the power of Christ may rest upon me.*

Four “HIS GLORY”
Dr. Russell L. Kidman Ph.D.
 Ephesians 6:10-20
