

Russell & Cathy Kidman

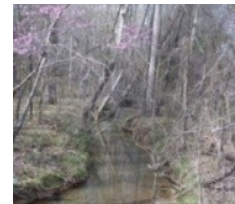

Psalms 68:6 *God setteth the solitary in families: he bringeth out those which are bound with chains: but the rebellious dwell in a dry land.*

The LORD put this Ministry of reaching the military with the Gospel our hearts in June of 2005 and shortly thereafter **OPERATION LIBERTY** began. Immediately we wanted to build a retreat to bring in Veterans and their families to but God would not allow it then. We now understand that it is because we knew very few people outside our Church and we were not known by many either. Now after seventeen years of traveling the country, reaching out to members of every branch of the military, this ministry has become known nationwide and throughout most military bases here and abroad. God has used this ministry to change the lives of military men and women and their families. While Cathy and I will continue to travel some, it has become obvious to us that in light of recent year's events we needed a place to pull back too, so we began to fervently pray about this as far back as 2020 first as to where the LORD wanted this to be located and secondly for the right piece of property to build a retreat for Veterans and their families to come too.

Finally after many searches the LORD gave us a property near Roxboro NC with twenty-seven acres, a pond, a brook and a three bedroom house all for over one hundred thousand less than anything we had previously looked at. After praying about this with our Pastor we submitted an offer on the property and it was accepted within a few days. The VA financing was approved on April 29th with a closing date of May 18th. We have named this property **PATHFINDER** because that was the division I was in during Desert Storm. It also has a spiritual meaning as we minister to our guests it is our desire that they find the Path to the LORD! Below we have attached a QR Code link to a video of the property discussing the many assets shown in the pictures below and the peacefulness of the area. God has given us more than we asked for once again! Praise the LORD!!!

SOLITARY IN FAMILIES is of the LORD! We know that God instituted the FAMILY and has placed its importance just below that of Worshiping Him. Like many families in the Bible ours has not always been the best but as we have traveled to reach the Military we have also focused on the family of that warrior. We believe that it is because of this focus that God has been healing our family that had been torn apart many years ago. He has granted our desire and reunited our family physically as much as he has been Spiritually. We are excited as we watch the LORD work in and through our lives granting us the desires of our hearts and bringing this retreat to life before our very eyes, in His Time.
