**Luke 6:38** Give, and it shall be given unto you; good measure, pressed down, and shaken together, and running over, shall men give into your bosom. For with the same measure that ye mete withal it shall be measured to you again.

**ONE SAVED THROUGH OUR WEBSITE:** We contacted a (KJV) Baptist Church in his area to follow-up and disciple him. That pastor has corresponded with me on several occasions after visiting this man and believes he is truly Born Again. He is now disciplining that man on a weekly basis. Praise the LORD!

**CONTINUING THE MISSION:** We did a whirlwind tour through South Georgia. Our purpose was to introduce an Air Force Veteran, named Don to Pastor King who lives in the area. Pastor King is also an Iraqi War Veteran. He will be taking lead in ministering to Don, please pray for them both. Then we headed to Perry Florida to visit a couple of Veterans where they are staying strongly involved at Faith Baptist Church. Next we headed to Bible Baptist Church in St. Augustine Florida to give a report on our Ministry and the Pathfinder Project. Finally we visited a Baptist Church in Ladson SC witnessing around the Navy and Air Force bases there as well as preaching in several services throughout the week.

**DONATIONS:** This trip yielded a plethora of donations to the Pathfinder Project from several Churches. Shovels, Tools, Rope, Flashlights, LED Lighting, Plumbing Materials, Work Gloves, Tarps, Cleaning Supplies, Clothing, and so much more, nearly \$2600.00 in value of materials.

**HEALTH: HALLELUJAH, to GOD be the Glory!!!** My annual checkup at the Durham NC VA for Prostate Cancer revealed no sufficient evidence of Cancer. The Urologist said that doesn't mean I don't have Cancer, but that it is small enough that it wasn't detected by this biopsy. Follow-up PSA checkup in six months, biopsy in two years.

**PATHFINDER:** Our herd has grown to five horses and a donkey now that we have two working pastures. First we had "Stormy" then added "Jack Jack" to protect horses from the coyotes. "Bull's-eye", then "Emerald", and finally "Asuka" and "Poppy" They came from various rescue sites. Most of these horses were in poor health when we received them, but we are nurturing them back to health. With a "Clean Bill of Health" by our Veterinarian, we are now

able to have Veterans come for a "Single DAY" visit to learn how to care and work with the horses.
