Matthew 13:18 *Hear ye therefore the parable of the sower.*

GOD'S TIMING: Every time we visit a VA Hospital we get to witness to Veterans or family members. Often the hat I'm wearing is what prompts a conversation and an opportunity to witness. During a recent visit I was wearing my 8th ID hat when a man inquired where I got it. He served in the 8th ID in the 70's and has never been able to find one. This gave us an open door to talk to him about the LORD, during which he told us about his Salvation and we had a great time in the hallway of the VA Hospital! Once he left I felt impressed that I should have given him my hat, and a few minutes later we ran into him again so I obeyed the LORD. It amazes me that when this happens other Veterans will stop what they are doing and just listen to the conversations. We never know the impact we are making on others around us!

SOWING: We were finally able to open up the pasture we seeded back in the spring. Through this process we are reminded that when sowing seed the response is not immediately seen. It takes weeks before the slightest little leaves emerge from the soil, but that doesn't happen until the sown seed dies to self. We sow on all types of soil, but not everyone is ready to germinate that seed into what GOD desires for their life. However once it germinates it is our purpose to cultivate that growth until it becomes ready for harvest. Without germination (New Birth) and cultivation (discipleship) it is impossible for NEW LIFE to take place. Please pray for Lincoln just heading to basic and into the den of lions!

PTSD THE BEAST WITHIN: Thursday August 15th we had an appointment at the Jeep dealership in Oxford NC, however we had to reschedule due a last minute VA appointment scheduling. We rescheduled with Jeep for August 20, 2024 and that's when we met William (Marine) but now works for Crossroads Chrysler Corporate. He was only there on the 20th so our paths wouldn't have crossed on Thursday... **God Appointed**... we gave him a copy of the book "PTSD The Beast Within" and he was overwhelmed. He replied "I've needed this for a long time". He was leaving for home in the morning, but said he would read it that night. William had to get back to work and I had another appointment, but he thanked me for what we are doing. Please Pray for Him! **Use this QR CODE for more information on PTSD!**

OPEN DOORS: Through your FAITHFUL SUPPORT we have been able to give books to Veterans or families of Veterans and it has helped thousands already. Going about our daily business in town we are often now greeted with "You're that PTSD book Author". At a recent Veterans event the American Legion Commander thanked me for the book, as he did the man next to me wanted one too, we are making a huge impact here in the Veteran Community. We have been invited to speak at the American Legion in Albemarle NC. A few days later we will be doing an internet radio interview on WKDW97.5FM www.kdwradiocom out of North Port FL to be broadcast on Tuesday October 22nd at 1:05PM (EST), and Thursday October 24th 11:05AM (EST), Please make sure to **TUNE IN** if you can during one of those times as we share the work and Gospel over the airways of the world!

PRAYING MAKES ALL THE DIFFERENCE IN THE LIFE OF A VETERAN!!!
