Hebrews 10:23-25 ...Not forsaking the assembling of ourselves together, as the manner of some *is*; but exhorting *one another*: and so much the more, as ye see the day approaching.

SUPPORT ADDRESS HAS CHANGED: We have been praying, and counseling with Pastor Dr. Ricky Tuttle about moving our membership from Michigan to North Carolina where we have been attending when not out on the road. It is with torn hearts we have decided it is time to leave Bills Lake Baptist Church and make this move of our ministry joining with New Life Independent Baptist Church in Hurdle Mills North Carolina. Like with Pastor Tuttle, the LORD has knit our hearts together in ministry with Pastor Dr. Mike Whitt and the congregation. This decision has not been an easy one on our part but we believe it is the right thing and time to do it. Therefore effective April 6th of 2025 with Pastor Tuttle's blessing, we joined New Life Independent Baptist Church and now begin the process of changing our support over to them. Pastor Tuttle and I will still be working together through Liberty Baptist Bible College and cherish each other's friendship built upon years of working together in ministry.

FROM HOUSE TO HOUSE: We visited Baptist Churches in North Carolina, South Carolina, Georgia and Florida, reaching out to many Veterans at each destination. Some we have known for years and others we were just introduced to on this trip. Some are Born Again and Faithful to the LORD, some we encouraged to get back to Church and some we could only witness to of God's great Salvation, but because of their circumstances... i.e.... homelessness, they were more interested in the condition of their belly than their soul. So we fed them from the table and from God's Word! In each place we gave out our book on PTSD to eager souls, wanting help, with this issue in their lives.

OVERWHELMED OUR WITH JOY!!! While at a Baptist Church in Florida, we heard about a lady from Mosul (Ma-zul) Iraq which is modern day Nineveh sharing her testimony of Salvation and how she loved the King James Bible. Early in our ministry we had supported a Soldier with Bibles who was stationed in Mosul. We also helped a Navy Chaplain who was part of planting a Baptist Church in Baghdad and that church then planted a Church in Mosul. We don't know if we had any direct effect on this woman trusting the Lord, but to hear such a testimony and knowing we had ministered in that area of Iraq filled our hearts with JOY!!!

PATHFINDER'S EQUINE: We continue to have visitors wanting to meet our horses, which gives us the opportunity to witness to them one on one. We have received donations of equipment as well as for the care of our horses. Even our Veterinarian is excited about how we help Veterans with the use of these gentle giants and has recommended us to several Veterans. We are excited to watch how the LORD is growing this ministry, physically, financially, and Spiritually in this community, where we have been called "The Horse People"!

HEALTH: I'm still being seen at the Durham NC VA for Prostate Cancer and my Dr.'s are keeping a close eye on it. While I appreciate any and all prayers, I am resolved in the fact that God knew about this before the doctors did, and I am at peace with wherever it takes me and to whom I get to witness to along the way!!!
