1 Peter 4:9 Use hospitality one to another without grudging.

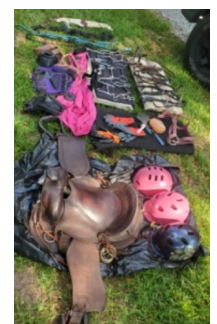

2024 started with the release of “PTSD The Beast Within” a book dealing with the after issues of war and military life, by looking at the life of King David. We have been blessed to receive testimonies from Veterans, their Families, and many Civilians that have been helped by this book. This has also opened doors to speak at Service Organizations like; American Legion, VFW, DAV and other Veteran venues about PTSD and the LORD Jesus Christ!

REACHING VETERANS: Nearly every day we meet and speak with Veterans throughout our daily lives, whether it is at a VA Dr. appointment or at the grocery store or getting our vehicle serviced. We have met celebrities like Ryan Roulette, an Air Force Pilot by day and Race Driver of the VFW sponsored Race Team. We also met and witnessed to William who served in the Marines but now works at Crossroads Chrysler. He replied "I've needed this for a long time. Others have asked for prayer; like a young man just leaving for Basic named Lincoln, another Veteran Benny Carver who has lost several family members this year in death, Audrey Burton asked us to pray for her husband Collie Burton who we met at the VA hospital in Richmond Virginia. He was being sent home on Palliative care. Sometimes it's just wearing the right hat that draws us into a conversation with a Veteran and we have “Church” in the halls of the VA, or at a store.

PATHFINDER'S EQUINE: Is now up and running, with five horses and Jack-Jack our donkey they are all eager to meet and help Veterans and their families during day visits. They are ready to be groomed, led on walks, brushed, and Loved on, and will no doubt return that Love fourfold! We PRAISE THE LORD for all who have so generously donated horse tack, lumber, labor to clear land, fencing, feed, hay or other materials to get this much needed ministry started. At least once a month we have Veterans and their families visiting giving us an opportunity to minister to them.

PRAYING MAKES ALL THE DIFFERENCE IN THE LIFE OF A VETERAN!!!
